

IITD Maze Treasure Hunt

Arushi Goyal(2020CS50418)

Supreeti Kumari(2020CS10396)

welcome to LTH Treasure Hunt!

START

Instructions to play:

- IITD Maze Treasure Hunt is a 2-player game with the objective to find treasures using the hints provided.

- The player needs to refrain from entering restricted areas to avoid penalty and save lives.
- You can also look for treasures inside certain buildings.

Hint example:

Game controls:

- Use arrow keys to navigate the campus.
- Use number keys(1 to 8) to display and hide hints(Press '1' to display first hint and press it again to hide the hint).
- Press 'E' to enter a building and press 'X' to exit.
- Use number keys(1 to 3) to display warnings(Press 1 to display first warning).

Treasures:

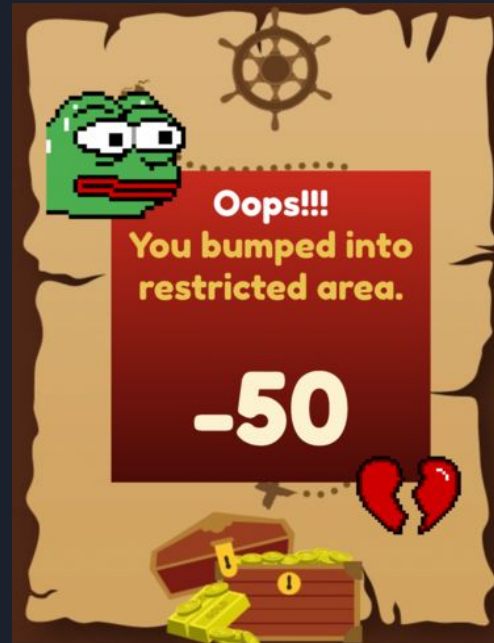

The hints lead to treasures which earn you points:

- Ruby worth 150 points
- Sapphire worth 200 points
- Pearl worth 25 points
- Silver worth 75 points
- Gold worth 175 points
- Emerald worth 100 points
- Coins worth 50 points
- Diamond

Warnings:

You receive penalty on entering restricted areas.

How to win the game

- Each player has 3 lives. He/She loses one life and receives some penalty upon stumbling over some restricted area.
- The player who finds the diamond first wins the game.
- In case no player is able to find the diamond within the designated time, the one with the maximum score at the end of the game wins.
